guide service manual schematics parts list

### **RigExpert AA 230 Zoom Antenna Analyzer Review GAD s**

January 9th, 2019 - The AA 230 Zoom is substantially smaller than the AA  
600 which for me is a pretty important selling point Additionally though I  
do rarely use the 70cm band I really donâ€™t have a need to measure above  
the 2M band so Iâ€™m really not getting anything for my money with the  
bigger more expensive unit
